BATH FITTING & ACCESSORIES

about us ...

Who We Are.....

Zaima products are of high quality decorative kitchen and plumbing fixtures. We understand that water is the most important natural resource and life cannot thrive without it. The technology that goes into Our Products helps us deliver superior quality bath system that are also ecomatic. We know that our customers expect nothing but the best from us and we always aim to meet their expectations.

Better By Design....

Zaima product have been designed by professionals to suit every plumbing conditions and we appreciate the fact that you as customer always look for the best. You will see the cleanest lines in every Zaima fixture that looks good to eyes and every mood.

Zaima Infrastructure...

Zaima products are manufactured using a global manufacturing. designing and quality control infrastructure. Our design and sourcing unit works seamlessly and together with Our Infrastructure enables us to bring to our customers the best products they are looking for.

Why Zaima ?

Tested to the highest standards, Zaima products offer easily available spare parts, a comprehensive warranty, a service help line and a nationwide pre sales & after-sales service network. Every product passes through inspections during the manufacturing process to ensure the final product exactly matches design and finish specifications. Handles are randomly turned on and off numerous times followed by rigorous air and water testing cycles to ensure leak-proof performance for years. All Zaima products are made with the user in mind. We deploy continuously updated smart technologies with product innovation to make our customer's experience seamless and hassle free.

ZAIMA®
BATH FITTINGS

PRODUCT EXCELLENCE AWARD 2020

BY MSME CHAMBERCOMMERCE AND INDUSTRY OF INIDA

'Zaima' is very famous brand in sanitary ware. Bath Fittings

Hello friends, today I am sharing my personal experience about this product as I have fixed 'Zaima' taps and showers in my bathroom . I feel very comfortable in it. My bathroom is completely change now this is the best part of my house where I feel relaxed and luxuries.

The shower seems like near to nature. I feel the enjoyment of waterfall under this shower . It looks very nice and rich.

Its durability is to good and easy to clean its made for long time. Its so shiny and different-different models availbale for beautify your bathroom.

I heartily preferred and recomend for you to use these sanitary ware products and feel luxurious and comfortable in it .
